Northwind Robotics (sample data) Employee Handbook
Revision 3, effective 2026-04-01.
This handbook is fictional sample data for testing Mycelium.
Northwind Robotics (sample data) is not a real company.

Section 1: About Northwind Robotics
Northwind Robotics builds warehouse robots and the fleet software that runs them.
Our core hours are 10:00 to 15:00 in your local time zone.
Focus Friday is the last Friday of every month.
No meetings are booked on Focus Friday.

Section 2: Equipment and Remote Work
New hires receive a home office budget of 2000 US dollars.
You may buy a desk, chair, monitor, or keyboard with that budget.
Ask the people team before buying anything over 500 US dollars.

Section 3: Security reminders
Virtual private network sessions idle out after 8 hours.
Security audit logs are kept for 400 days.
This 400 day retention rule is the current company rule.

Section 4: Time Off
Full time employees receive 16 weeks of parental leave.
You get 25 days of paid leave each year, plus public holidays.

Section 5: Travel
Book travel at least 10 days in advance when you can.
Keep every receipt and file your expense report within 30 days.

Section 6: Support
Questions go to the people team at people@northwind.example.
This is the end of the sample handbook.
